

Product safety recall

Fantastic Four Illuminated Cups

Golden Link Australia Pty Ltd

Fantastic Four cups featuring battery powered light:

- the Invisible Woman model (in blue); and
- the Human Torch model (in red).

Reason the product is recalled

These products don't comply with the [mandatory standards for products containing button/coin batteries](#).

The screw in the battery covering can be removed. This could allow children access to the button/coin battery.

The screw and/or battery covering could also be lost when replacing the battery.

The products are missing warning information about

- the dangers of button/coin batteries to children
- what to do when a person suspects someone has swallowed or placed a button/coin battery inside any part of their body.

The hazards to consumers

Children are at risk of choking, serious injury or death if they swallow or place button/coin batteries inside their bodies.

If you suspect a child has swallowed or inserted a button/coin battery:

- **Call Triple Zero (000)** if a child is having any difficulty breathing.
- Call the Poisons Information Centre immediately on 13 11 26, available 24 hours a day. They can direct you to an appropriate medical facility.

Early action can save lives. Do not wait for symptoms to develop.

What consumers should do

1. Immediately discontinue use and keep out of reach of children.
2. Do not remove the batteries from the product and do not dispose of the cups.
3. Contact Golden Link Australia Pty Ltd via the below details to arrange for the product to be returned for either a full refund or to register for a collectable replacement cup.
4. If you have already disposed of the cups or given them to another person, please contact Golden Link Australia Pty Ltd.
